

2018 MUNICIPAL SNAPSHOT GRIMSBY

A Supplement to NWPB's Labour Market Planning Report

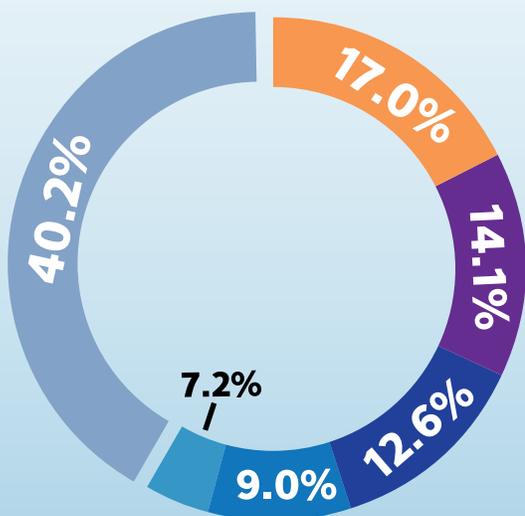

INDUSTRY, OCCUPATIONS & WAGES, 2017

In 2017 there were a total of **8,223** jobs in Grimsby. This is a **2.6%** increase compared to 2016's count of 8,016 jobs within the municipal boundaries.

Note: the data presented in this report reflect the jobs that are located in the Grimsby census subdivision (i.e.: within Grimsby's municipal boundaries).

As noted in Figure 1, the top three industries in Grimsby were **health care and social assistance**, **retail trade**, and **manufacturing**. The number of jobs in these industries makes up a total of **43.6%** of the jobs in Grimsby.

Health care & social assistance

Retail trade

Manufacturing

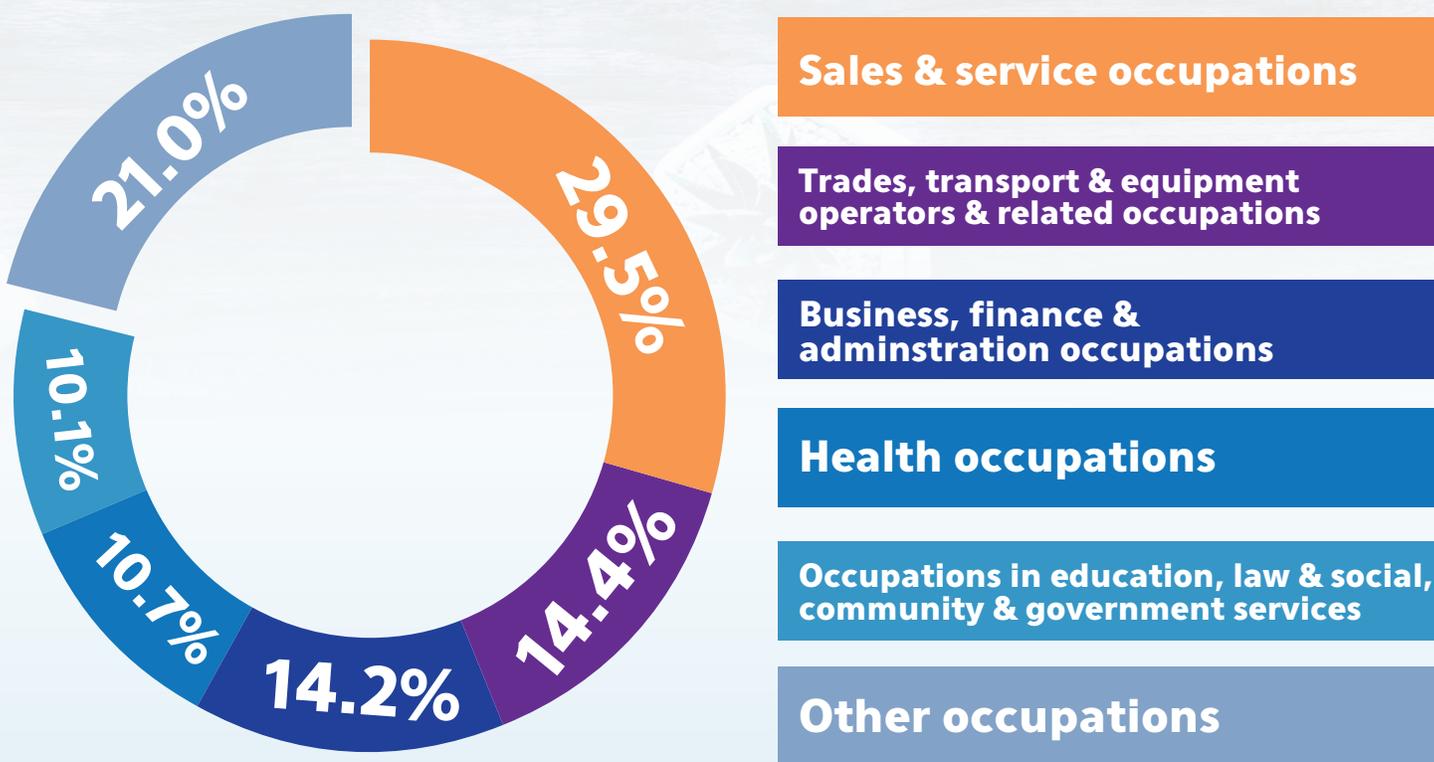

Accommodation & food services

Wholesale trade

Other industries

Figure 2 depicts the top occupations in Grimsby by number of jobs in 2017. The top three occupations were **sales and service occupations; trades, transport and equipment operators and related occupations;** and **business, finance and administration occupations**. These three occupations combined account for **58.1%** of the jobs in Grimsby.

FIGURE 2: TOP FIVE OCCUPATIONS BY NUMBER OF JOBS, GRIMSBY, 2017

Another factor of interest when analyzing a municipal labour market is its occupational compensation profile. For this report, we assessed the median hourly income of occupations in Grimsby. We converted this data into an annual income figure based on a 40-hour work week for a year (52 weeks). Based on these data, the **highest paid occupations** in Grimsby in 2017 were:

- **Management occupations**, with **484** jobs and a median salary of **\$82,150**
- **Natural and applied sciences related occupations**, with **302** jobs and a median annual salary of **\$67,531**
- **Occupations in education, law and social, community and government services** with **834** jobs and a median annual salary of **\$64,178**

OCCUPATIONAL GROWTH, 2017

Table 1 outlines the four occupations that experienced the most growth in terms of number of jobs within Grimsby between 2016 and 2017. These occupations are ranked by absolute gains within each occupation, and the percentage represents how much growth the occupation experienced. **Table 2** provides historical data on the top five occupations, based on the number of jobs in 2017, to show how job counts have changed over a one-year, five-year, and ten-year time span.

TABLE 1: OCCUPATIONS WITH THE MOST GROWTH, 2016-2017, GRIMSBY

Occupation	2016 jobs	2017 jobs	Total change	% change
Sales & service occupations	2,336	2,424	88	3.8%
Health occupations	806	884	78	9.7%
Trades, transport & equipment operators & related occupations	1,154	1,185	31	2.7%
Natural & applied sciences & related occupations	279	302	23	8.2%

TABLE 2: HISTORICAL JOB CHANGE FOR THE TOP FIVE OCCUPATIONS IN 2017, GRIMSBY

Occupation	2007 jobs	2012 jobs	2016 jobs	2017 jobs	2007-2017		2012-2017	
					Total change	% change	Total change	% change
Sales & service occupations	2,043	2,112	2,336	2,424	381	19%	312	15%
Trades, transport & equipment operators & related occupations	1,004	949	1,154	1,185	181	18%	236	25%
